# Join Us in Promoting Financial Literacy to Our Youth!

## "I GOT BANK!"

Jazz Ellington says to his best friend Marquis "I got bank!" And he does. At ten years old, he has over two thousand dollars in the bank. And his savings keep growing. His granddad taught him to save his allowance and set up a bank account to make sure he did. But everyone else in his family – his mother, sister and brother – are trying to spend his money. Hanging out with Marquis in their urban community, Jazz learns about banking, credit scores, payday loans, check cashers and other money matters. He tries to help his family, yet stay true to his granddad's words. Finally a book about money, you'll love reading. The book, *I Got Bank!*, increases financial awareness while sharing the lives of two African-American boys growing up in the city.
