Please read these Digital Wallet Terms and Condition (iTermsi) which apply when you choose to add your OneUnited Bank debit card (iCardi) to a third party mobile payment system such as Apple Pay, Samsung Pay, Android Pay, or Google Wallet.

These Terms state the terms and conditions on which OneUnited Bank will provide, and you may use the Digital Wallet Service (iServicei) and form part of a legally binding agreement between you and OneUnited Bank that also include the Online Banking & Bill Payment Agreement, the Debit Card Agreement, and the Deposit Account Agreement (contains terms and conditions for Electronic Funds Transfers), which you can review at www.oneunited.com. These Terms for adding your OneUnited Bank card to a Digital Wallet (the iTermsi) apply when you choose to add a OneUnited Bank debit card to a Digital Wallet (iWalleti). In these Terms, iyoui and iyouri refer to the cardholder or user of the OneUnited Bank issued Debit card (the iCardi), and iwe, i us, i our, i and iOneUnited Bank Cardi refers to the issuer of the OneUnited Bank card, which is OneUnited Bank. When you add a OneUnited Bank Card to the Wallet, you agree to these Terms. Use of your Card through a Digital Wallet is your acceptance of these Terms.

You agree to indemnify, defend and hold us, the Bank, harmless from and against any and all losses, claims, damages, liabilities, regulatory or civil actions, costs or expenses (including any attorneys' fees) that arise out of or are based upon (a) the failure of you, any Digital Wallet, or any Digital Wallet service provider to conform to applicable law, (b) the negligence or intentional action or inaction of you or any Digital Wallet service provider, (c) any breach by you of any term, condition, warranty, representation or any other portion of these Terms, or (d) any breach by you, any Digital Wallet service provider of any term, condition, warranty, representation or any other portion of any Digital Wallet agreement. Your indemnification obligations set forth herein shall survive termination or expiration of these Terms.

1. Adding Your OneUnited Bank Card

You can add an eligible OneUnited Bank Card to the Wallet by following the instructions of the Wallet provider. Only OneUnited Bank cards that we indicate as eligible can be added to the Wallet. If your OneUnited Bank card or underlying account is not in good standing, that OneUnited Bank card will not be eligible to enroll in the Wallet. When you add a OneUnited Bank card to the Wallet, the Wallet allows you to use the OneUnited Bank card to enter into transactions where the Wallet is accepted. The Wallet may not be accepted at all places where your OneUnited Bank card is accepted.

2. Your OneUnited Bank Card or Account Terms Do Not Change

Any limits we place on the frequency or dollar amount of your Card transactions will also apply to Wallet transactions. The Debit Card agreement and Deposit Account Agreement that govern your OneUnited Bank card and underlying account do not change when you add your OneUnited Bank Card to the Wallet. The Wallet simply provides another way for you to make purchases with the OneUnited Bank Card. Any applicable fees and charges that apply to your OneUnited Bank Card or underlying account will also apply when you use the Wallet to access your OneUnited Bank Card. OneUnited Bank does not charge you any additional fees for adding your OneUnited Bank Card to the Wallet or using your OneUnited Bank Card in the Wallet. The Wallet provider and other third parties such as wireless companies or data service providers may charge you fees. You agree and acknowledge that you are responsible for the payment of third party fees associated with using the Wallet. Your use of the Wallet is also subject to applicable agreements or terms of use with your mobile device provider or other parties.
